both my reputation and my money on its merits.

The following are among those diseases in which my Favorite Prescription has worked cures—as if by magic and with a certainly never before attained by any medicine: Leucorrhes, Excessive Flowing, Painful Monthly Periods, Suppressions when from manatural canes, Irregularities, Weak Back, Prolapses, or failing of the Uterus, Anteversion and Retroversion, Bearing Down Sensations, Internal Heat, Nervons Deigrassion, Debility, Despondency, Threataned Miscarriage, Chronic Congestion, Infammation and Ulceration of the Uterus, Imponence, Barronness, or Sterillty, Female Weakness, and very many other chronic diseases uncident to woman not mentioned here, in which as well as in the cases which I have mentioned, my Pavorite Prescription works cures—the marrow of the world. This medicine I do not extol as a cure all, but it admirably fulfills a singlemess of purpose being a most perfect specific in all chronic diseases of the sermal system of woman. It will not disappoint, nor will it do have in any state or condition. It will be found invaluable in diseases incident to pregnancy, and can be taken in moderate doses with perfect affect while in that state. Indeed, it is a Mother's Cordini, and so prepares the
